## IBM Cloud Login

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Karthick Raja's Account). The main section is titled 'Dashboard' and features a 'For you' section with several recommended resources and services, including 'Build', 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a virtual machine', 'Get Started with the CLI', and 'IBM Log Analysis with LogDNA'. Each resource card includes a brief description, a 'Getting started' or 'Recommended' button, and a time estimate. Below the 'For you' section, there are four more cards: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The 'News' card lists several articles, including 'IBM Cloud Satellite New Pricing' and 'IBM Cloud Data Shield Deprecation'. The 'IBM Cloud status' card shows a world map with a blue chat bubble icon in the bottom right corner.
